WEST VIRGINIA BULLETIN NO. WV-260-4-1

SUBJECT: INF - 2004 Canon Envirothon

Purpose: To announce NRCS representatives for the 2004 Canon Envirothon

Expiration Date: July 31, 2004

ACTION REQUESTED BY: February 17, 2004

The 2004 Canon Envirothon will be held at West Virginia Wesleyan College in Buckhannon, WV July 26-31, 2004. The 2004 Canon Envirothon will bring national attention to West Virginia. NRCS is committed to helping make the 2004 Canon Envirothon a success. We believe that this environmental competition for high school students leaves a lasting impact on the participants. The Envirothon helps develop leaders who know how to make sound decisions about very complex ecosystems. This will help society as they grow into adulthood.

To help West Virginia hold an extremely successful international competition, I have assigned the following individuals to assist with the 2004 Canon Envirothon:

Primary Envirothon Contact and Public Relations: Peg Reese
