WEST VIRGINIA BULLETIN NO: WV360-4-8

SUBJECT: PER-RUSLE II Training

Purpose: To transmit the schedule for FY-04 RUSLE II Training

Expiration Date: May 01, 2004

The train the trainer session for RUSLE II has been scheduled for January 13-15, 2004. The training will be held in the 2nd Floor Conference Room of the State Office in Morgantown, WV. The session will run from 9:00 am to 5:00 pm on the 13th and from 8:00 am to 5:00 pm on the 14th. This will be a more in depth training for individuals who have been identified as having area responsibilities for RUSLE II assistance in training sessions and day to day field office activities.

The session on the morning of January 15th is an optional session, which will run from 8:00 am to noon. During this session we will be finalizing the schedule and agenda for the field training sessions. We would appreciate anyone who can stay and provide input for the eight (8) field training sessions planned. All travel will need to be worked out with your respective ASTC for Field Operations.

Each individual will need to bring their laptop computers, power cords etc. We will try to get RUSLE II loaded on your laptops prior to the training session. Local soils and climate data will be loaded at the session. We plan to order in for lunch each day for those not bringing a lunch.

The following individuals have been approved to attend the train the trainer session:

Rick Heaslip, SRC

Barbara McWhorter, State Forester

Isaac Wolford, State Agronomist

Bob Schnably, Ranson FO

Dan Lynch, Petersburg FO

JR Wolfe, Morgantown FO

Sam Sheets, Spencer FO

Rick Patterson, Sistersville FO

Mike Marks, Huntington, FO

Gary Redden, Beckley AO

Mike Jones, Princeton FO

WV360-4-8
