**This is a one day session. A final agenda will be sent to all participants prior to the session. All travel will need to be worked out with your respective ASTC for Field Operations.**

**Each individual will need to bring their laptop computers, power cords, external mouse, cd drive etc. RUSLE II will be loaded on your laptops prior to the training session. Local soils and climate data will be loaded at the session. Where possible we will order lunch in; otherwise, please plan to bring lunch as we will be on a tight schedule.**

**If you have questions or need additional information, please contact Isaac Wolford, State Agronomist, at 304-284-7580.**
