

**Part 404 – Land Treatment – Long Term Contracting**

**Subpart F- Contract Administration**

WV404.50(b)(2)(i)

b.(2)(i) In West Virginia, “significant” is defined as follows:

- (1) When increases occur by program as follows:
  - (a) PL-534, EQIP, AMA – any variance from the original contract amount, be it quantity or funding.
  - (b) WHIP - \$750.00 per contract.
  - (c) All Other Programs – 15% in quantity per practice.
- (2) Modifications will include the following:
  - (a) A justification statement clearly stating the reason(s) for the changes, additions, or deletions.
  - (b) A revised Conservation Plan.
  - (c) A revised NRCS-AD-1156, Contract Support Document.
  - (d) A statement of technical approval by an individual having appropriate authority as outlined in 210-V, NEM, Part 501.

When technical approval is not authorized at the field office or area office level, the documentation and/or data required for review by the appropriate technical staff will accompany the modifications.
