

PART 417 - HEALTH AND LIFE INSURANCE

SUBPART A - HEALTH INSURANCE

WV417.3

WV417.3 Open Season.

U. S. Government health benefit plan registration cards are issued by the individual insurance carriers. The registration cards for open season health benefit changes are generally issued during February or March following the November open season changes. Before the registration cards are received by employees, the information on SF-2809, Registration Form, should be used for medical claims.
