

PART 420 - SAFETY AND HEALTH MANAGEMENT PROGRAM

SUBPART A - GENERAL

WV420.1(b)(2)

WV420.1(b) The following items are not covered:

(2) Every supervisor in West Virginia has a responsibility to be aware of the effects of alcoholism as an illness and its social, medical, and psychological implications. It is the employee's responsibility to recognize the adverse effects of excessive drinking on work performance. Discussions between employees and their supervisors, or other personnel, should be held in strict confidence.

WV420.2(1)
