

**NUTRIENT MANAGEMENT (CSP Enhancements)**

November 2005

**Enhancement Activity Task Sheet**

**WV-CSPENM-TS**

**Clients Name:**

**Worksheet 12 – No Winter Manure Application**

**Payment = \$2.00/ac/ year to NOT apply collected manure or litter on any contract fields from November 15 through March 15 to protect surface and ground waters from nutrient enriched or pathogen contaminated runoff.** Payment is only available for farming units that have more than 10 animal units (livestock only).

Tract & Field #s or Names	Acres	Crop	Date of last manure application prior to Dec 1	Date of first manure application after March 15

**No Winter Manure Application Certification**

I certify that I have not applied manure/litter on any contract field between November 15 and March 15 and I have more than 10 animal units (livestock) on my farm operation
